

Product data sheet **CEE Wall socket** IZN 3253 Ord. No. 101367

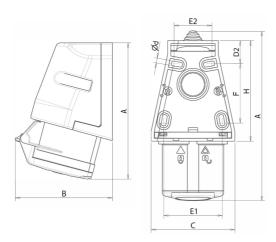

SEZ industrial sockets, plugs and connectors have been designed to connect electrical devices to low voltage electric energy in civil engineering, electric assembly sector, engineering industry, etc. Sockets and plugs are available in the following ranges:

- •
- nominal current: 16 A, 32 A, 63 A, 125 A nominal voltage: 110V, 230 V, 400 V, 500 V •
- nominal frequency: 50 Hz and 60 Hz
- degree of protection: IP 44, IP 54, IP 67
- number of poles: 3P (2P + PE), 4P (3P + PE), 5P (3P + N + PE) operating temperature: 25 °C to + 55 °C •
- •

Our sockets, plugs and connectors are manufactured under the European standards EN 60309 – 1, 2 which comply with an international recommendation IEC 60309 - 1, 2.

| Identification colour      | red                      | Operating temperature     | -25 °C to +55 °C       |
|----------------------------|--------------------------|---------------------------|------------------------|
| Nominal current            | 32 A                     | Glow wire test (GWT)      | 850 °C (active parts)  |
| Nominal voltage            | 400 V                    |                           | 650 °C (passive parts) |
| Frequency                  | 50/60 Hz                 | Thermo-pressure with ball | 125 °C (active parts)  |
| Degree of protection       | IP44                     |                           | 80 °C (passive parts)  |
| No. of pole                | 3P + N + PE              | Insulation resistance     | >10 MΩ                 |
| Earth hour position        | 6 h                      |                           |                        |
| Connection system          | screws                   |                           |                        |
| Flexible conductors        | 2,5 - 6 mm <sup>2</sup>  |                           |                        |
| Rigid conductors           | 2,5 - 10 mm <sup>2</sup> |                           |                        |
| Surface treatment contacts | passivated brass         |                           |                        |
